Designed for light duty applications where corrosion resistance and / or a non-scratch product is important, PAC manufactures a range of plastic buckles to fit your demanding applications. For superior holding power and convenience, the patented "Bucklelok" design "locks" each leg into position to allow for pre-threading.

## PLASTIC BUCKLES

	Strap Size (Inches)	Strap Size (mm)	Strap Type	Standard Qty per Case**	Shipping Weight Lbs./Case	Shipping Weight Kgs./Case
<b>Regular Duty Portable Coils</b>
